Has the honor to state that an Estimate for Rs: 500/- for sinking a drinking Water Well near the Police Station at Bhramanaikanadroog in the Holalkere Taluk was sanctioned in Government Proceedings No. D 556 dated 30th June 1892. Out of the grant of Rs: 2640 allotted for Police Wells in Govt: Pro: No: D164 dated 16th February 1892. 2. The Amildar of Holalkere reported that the Estimate had to be revised as some additional items of work had to be done for the Well. In accordance with Govt: Pro. No 12127-35 dated 7.129-94 13th

13th February 1895, the entire correspondence had been forwarded to the Executive Engineer, Chitaldroog Division for favor of his opinion. A revised estimate was prepared and the amount of it was exceedingly high as Rs: 4000 and odd. On personal inspection of the work and the village the undersigned has satisfied himself that it is unnecessary to spend such a large sum on this work; and that in addition to the bonda which supplies the village with water, a well at a moderate cost from the District Funds would meet the requirements of the village.

3. Under these circumstances, the undersigned begs to recommend that the well in question be abandoned and a sum of Rs: 153 which has long been pending payment for the work already turned out as per original estimate sanctioned be ordered to be paid out of the above grant.
